

January 4, 2008

Dear Artists & Craftsmen:

The New Year is upon us and it is time to start thinking of the summer ahead and the 33rd Mid-Summer Festival. The dates for 2008 will be July 11, 12, and 13. Hours of the festival are Friday and Saturday from 10 a.m. to 11 p.m., and on Sunday from 10 a.m. to 5 p.m. Application deadline is March 1, 2008. Applications that are postmarked after March 1st will be assessed a \$25 late fee.

Enclosed are your application and a copy of festival rules. Please note that there have been changes to the rules for this year. Please be sure to review them to make sure you are in compliance. Also be sure to complete **both** sides of the application form. Spaces are 10' x 10' and cost \$150 for the weekend. Corner booths are available at a cost of \$200. Electricity is available on a limited basis and must be requested with your application. Cost for electricity is \$50 per 20 amp circuit.

Pictures need to be included with your application even if you have participated previously. Pictures are our only means of judging your application so be sure that your pictures show the quality of your work. We request at least 3 snapshots (no slides or Polaroid pictures) of all your work including 1 of your booth set up and 1 of you performing your work. Snapshots should be no larger than 4" x 6". Please note: No pictures will be returned this year.

So get ready for the summer and fill out your application today. Please return the application, product certification (back of application), pictures, and your check made payable to the City of Trenton by March 1, 2008. Please note that checks will not be processed until after the March 1 deadline.

If you have any questions, please contact the Trenton Recreation Department at 734-675-7302. We look forward to another exciting Mid-Summer Festival!

Sincerely,

Scott Barr, Chair Arts & Crafts
